

Connecting Civic to Climate Action Webinar

22nd March 2022

Resources and Events

EAUC Events

The EAUC will, once again, be hosting their [Annual Face to Face conference](#) on November 8 - 9th at Loughborough University. The focus will be making the most of opportunities to discuss, network and reconnect with each other and workshop some tangible outcomes and opportunities to work together.

EAUC Resources

- [Race to Zero - Universities and Colleges](#)
- [HE Climate Toolkit](#)
- Making good progress to create a sector climate emissions framework so that we scope, calculate and report consistently on our emissions, with the [Queen's Platinum Jubilee Challenge](#).

Civic University
Network

Civic University Network Events

The Civic University Network will be hosting a week of #TrulyCivic events, taking place online from 13th – 17th June 2022. Session details will be released in the coming weeks. Network newsletter subscribers will be sent a direct email invitation so look out for yours!

You can also access a wide array of resources on the CUN members' area including outputs from previous webinars: <https://civicuniversitynetwork.co.uk/resources>

Make sure you are subscribed to the CUN newsletters [here](#) to receive invites and booking links to all of our events and keep up with progress on this work.
